City of Rensselaer Sanitation Department

Due to the closure of E. Walnut St. for the emergency sewer repair, the City of Rensselaer Sanitation Department has decided to suspend recycling drop off at the recycling center effective immediately through February 15th, 2025. We will monitor the closure and adjusted as needed. We will provide updates as they become available.

For our rural customers, we encourage you to take your recyclable materials to the designated County drop off centers in our neighboring communities.

We apologize for the inconvenience.
