City of Rensselaer Gas Utility Public Announcement

For Immediate Release – January 9th, 2024

Extremely cold weather is on the way to our area. With the temperature dropping well below normal, customers can expect to experience higher energy bills. Even a one-degree difference can make a substantial impact on your heating bill. Stay safe and protect yourself and your animals during these extremely cold temperatures.

If you have a gas emergency you can contact the Gas Department office at (219)-866-5206. If it is an after-hour emergency please call the Police Department non-emergency line at (219)-866-5221.
