****UPDATE****

2024-01-08 NOTICE OF MASS ELECTRIC METER CHANGEOUT

The City of Rensselaer Electric Department would like to inform our customers that there are several software updates that need to be completed and tested before the AMI meter changeouts can begin. As such, we are delaying the start of the program for the next few weeks. Once the software updates have been completed and successfully tested, we will post a new program start date on the City of Rensselaer website.

We extend our sincere apologies for these unforeseen delays.
