

Greetings,

While it may still be winter, we are thinking warm thoughts here at the Rensselaer Parks Department. We are busily planning for our spring and summer activities! I am reaching out to you, our community neighbor, to see if you would be interested in supporting some of our programs. Read below for ways that you can support our programs.

#### Youth Baseball Team Sponsor

**Cost: \$250-** This sponsorship would go towards the purchase of a hat and t-shirt for each child and the coaches involved in our youth baseball teams. The apparel would be adorned with your business name. Participants keep these items and they will no doubt, be worn long after the season ends continuing to promote your business and also serving as a tribute to your generosity. In the event you are not aware, we are excited to share that as of last season, we have added a league for youth with cognitive and physical disabilities.

#### Baseball Field Sponsor

**Cost: \$250** (Option A- 1st time field sponsor) **\$100** (Option B- returning field sponsor)

Option A- This sponsorship program involves the creation and detailing of a 3 foot by 4 foot sign which would include your business logo or other pertinent information. The sign would be installed on the fence at Blacker Fields for the upcoming season and would remain until the season's conclusion. Please note that multiple signs can be purchased since there are multiple fields available.

Option B- This sponsorship program is for returning field sponsors. For \$100 per sign, the Parks Department will install your signage to be viewed by park guests throughout the baseball season.

#### Concession Stand Window Sponsor

**Cost: \$250- \*Limited availability-** This annual sponsorship is for signage promoting your business that would be placed on one of the windows on the concession stand at Blacker Fields. This prime location will allow the stream of concession stand patrons to easily view your advertisement.

#### Hole Sponsor

**Cost: \$100-** This annual sponsorship is for signage promoting your business on our disc golf course (Titan Course) on one of the 9 holes at Brookside Park.

I am hopeful that you will consider assisting us. If you have any questions, please contact me at (219)866-7014 or [hhall@cityofrensselaer.com](mailto:hhall@cityofrensselaer.com). Please complete and mail the attached form with payment by March 31.

Warm regards,

Heather A. Hall

Superintendent of Parks and Recreation
